Grade 9 -> 10 IB Prep FAQs

* How do I choose between Geography and Economics?

That depends on your interests, skills and goals:

- a) Economics is more reading, essay, and math oriented
- b) Geography has more graphic reading, projects, experiments and is more science oriented
- c) Economics has an option to continue to HL in Year 2 (Grade 12), which fits with History/SL Math and one SL Science
- d) Geography links very well to epidemiological medicine, engineering and research science
- e) Economics provides a solid background for business, corporate law and statistical research

Grade 9 → 10 IB Prep FAQs

* What option course should I take in Grade 10?

That depends on your interests and goals:

- a) explore potential post-secondary paths with Law, Business, Accounting, Technology courses or Sociology/Anthropology/Psychology
- b) prepare for Theory of Knowledge and improve your critical thinking and writing skills by taking Philosophy
- c) continue in Arts courses like Music, Drama and Visual Art or explore new Arts like Dance and Photography
- d) continue in ICS and have 1 more choice in Grade 12 IB
- e) keep active and fit in Personal Fitness, Healthy Active Living or Aquatics
- f) complete the required Civics/Careers course

Grade 9 → 10 IB Prep FAQs

- ❖ What are the promotion requirements for Grade1 0 → 11 IB Prep?
- o achievement of <u>at least level 3 (70%)</u>, <u>or higher in all core IB Prep subjects: ENG,MPM,SNC,FSF,CGC</u>
- O with one core subject below level 3, students must consult with a Guidance counsellor to discuss strategies for improvement and may be allowed to continue in IB Prep
- o with two or more core subjects below 70%, students may be required to register in Academic next year
- O with two or more core subjects below 60%, students may be required to register in Academic for next year
- with failure of a core subject, students must register in Academic for next year

Grade 9 --> 10 IB Prep FAQs

* Should I see a Guidance counsellor?

O if two or more core IB Prep subject final results are below level 3 (70%), students must see a Guidance counsellor to discuss course selection and may be counselled to register in Academic next year

Owith failure of a core subject, students must see a Guidance counsellor and select Academic for next year (IB Prep courses cannot be repeated and there are no summer school courses for IB Prep)

Ostudents who are planning a switch to Academic or another school should book an appointment with Guidance

IB Diploma Requirements

- One Course from each of Groups 1-5
 Sixth Course from any Group (VP does
- any Group (VP does not offer Group 6-Arts)
- 3 Core Components:
- Theory of Knowledge Course
- C.A.S. Activities
- Extended Essay

IB Diploma Requirements

- O3 Higher Level (HL) and 3 Standard Level (SL) courses
- OSL Subjects: one or two full courses, most like Academic Grade 12
- OHL Subjects: usually three or four full courses
- OHL Subjects are like taking Grade 12 and first year university at the same time: most universities grant transfer credits for HL course achievement at IB Level 5 or higher
- O Core Components are completed during Grades 11 and 12

Requirements at Victoria Park

6 COURSES (may have 1 additional)

- O 1 Language A1: English (HL) Required
- 1 Language B: French (SL) Required
- O 1 Mathematics (HL or SL) Required
- 1-2 Individual and Society: Economics (HL or SL), History (HL)or Geography (SL)
- 1-3 Experimental Sciences: Chemistry (HL or SL), Physics(SL), Biology(SL), Computer Science (HL or SL)

CORE Components

- 0 150 hours Creativity, Activity, Service (self-improvement and community service)
- Extended Essay (independent research paper supported by school workshops and staff supervision)
- O Theory of Knowledge (Grade 11 course)

What are the admission requirements for Year 1 IB (Grade 11)?

Students should:

- O be achieving at least level 3 (70%), or higher in all core subjects
- with one subject below level 3, students must consult with a Guidance counsellor to discuss how they will improve future results and may be allowed to continue
- o with two or more core subjects well below 70%, students must see a Guidance counsellor and may be required to register in Academic next year

Grade 9 & 10 IB Prep FAQs

Should I see a Guidance counsellor or the IBDP Coordinator Ms Bacque?

OMs Bacque will make presentations to all IB prep students from Feb 9-26; students may ask questions at these times or see Ms Bacque at the *Gallery of Choices* on Feb 23

OGuidance counsellors will consult with Ms Bacque to discuss course selection if IB Prep students have below grade level results in core subjects

Owith failure of a core subject, Guidance counsellors will help students select appropriate Academic or Uni Prep courses for next year

Grade 9 & 10 IB Prep FAQs

When and where can I see a Guidance counsellor?

OStudents can book appointments in Guidance from Feb 16-29 to discuss their course selections

OCounsellors will be available at the *Gallery of Choices* on Feb 23 and in the Hadfield Lab at lunch Feb 14-26 and C3 Feb 29, to assist with completion of course selection on myBlueprint by the Feb 29 3 pm deadline

Olf parents wish to contact counsellors, they should call Guidance at 416 395-3310 X20040

IB Prep Alpha Guidance Counsellors:
A-F Ms Pengelly; G-K Ms Ullah; L-S Mr Burstein; T-Z Ms Brown

Why do people say Grade 11 is so challenging?

- O In Year 1, students begin the full IB programme, including the extra Core components of CAS, Theory of Knowledge and Extended Essay
- O Students must complete IB Assessments, including one or two IB exams, as this is the last year for French, Geography, and Economics SL
- O Year 1 is full year, not semestered, so students take 7 subjects, not 4, at the same time

Should I take HL Math?

- O That depends on your university goals if you plan to take two Sciences in IB, then you should probably take HL Math
- Olt also depends on your skills, aptitude and work ethic HL Math is like Grade 12 Functions, Grade 12 Calculus and Vectors AND First Year University Calculus all together

How do I choose among the Sciences?

That depends on your university goals:

On myBlueprint, you can check the required courses you will need from Grade 12 to enter programs like engineering, business and sciences.

NOTE: If you want to take three of – Biology, Physics and Chemistry, you will have to take <u>either Biology or Physics</u> in summer school at the Uni Prep level. This will take two summers. <u>IB courses are not offered at summer or night school.</u>

- OStudents who plan to attend post-secondary programs in Sciences or Maths usually take HL Math, and choose either HL Chemistry or HL Computer Science in Year 2

Year 1 (Grade 11) FAQs

How do I choose subjects to take at HL or SL?

- O Students who plan to attend post-secondary programs in Business, Humanities and the Social Sciences usually take HL History/SL Math and one Science
- O Students who take History need to be sure they have planned for their third HL course carefully many students take HL Economics and one SL Science in Year 2
- O If students choose HL History/SL Math and HL Chemistry, there is no room in the timetable for another Science, so students must take Grade 12 Uni Prep Science courses in Summer School

Year 1 (Grade 11) FAQs

Can I withdraw from IB during Year 1?

- O Because Year 1 is full year, not semestered, students are not able to withdraw mid-year without losing credits, as the Uni Prep courses at VP are semestered
- O Students may choose to withdraw for Grade 12 by registering for Uni Prep courses in February for the following year
- O Students planning to withdraw are required to complete their IB Assessments and Exams in French, Economics and Geography
- O Year 1 students may make appointments in Guidance with Ms Bacque Feb 17-29

IB Prep & IB FAQs

Can I return to my local school if I am withdrawing?

O Your 'home' school must admit you if you are leaving a specialised program like IB. However, you must contact them as soon as possible after making your decision to switch, and they may not be able to offer you the courses you want or need.

Can I return to another specialised program like Gifted or Extended French?

O That is up to that program. You must contact an Extended French school before the end of January. For Gifted, you must apply for an IPRC by November of the year <u>before</u> you wish to return. You will be placed where there is space, not necessarily at the school of your choice. Optional Attendance rules may apply.

Can I stay at VP if I switch to Academic?

O Of Course! We are your school.
